Mayberry has an extensive adult criminal history that began at the age of 17 and includes convictions for multiple DUI-alcohol/drugs, possession of a firearm by felon, possession of marijuana, failure to register as a sex offender pursuant to PC290, carrying a loaded firearm and two (2) counts of Rape by force / fear. Mayberry has served multiple state prison terms, the longest a seven (7) year term for two (2) counts of Rape by force / fear. Mayberry was released from state prison to the supervision of the Los Angeles County Probation Department on December 29, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2013 after Mayberry absconded from post release community supervision (PRCS). Mayberry qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a firearm by felon is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
